

HOW DOES SUMMER READING WORK?

Step one: Choose your child's appropriate age group. This is the grade they have just completed in June of 2019 and not the grade they are heading into in September. Pre-school children MUST be 3 years old AND potty-trained.

- Preschool (Must be 3 years old & potty-trained) Kindergarten to Grade 1 Grade 2 to Grade 4 Tweens (Grade 5 and up)

Step two: Sign up ONLINE, on June 21st for July sessions and on July 19th for August sessions. Please note: signing up for July does NOT guarantee a spot in August. Content is not repeated - content will be new in August. We hope this will help accommodate more families who head off on vacations.

- July Summer Reading (Sign up: June 21 at 11 am) August Summer Reading (Sign up: July 19 at 11 am)

Step three: Attend weekly programs! Receive your Reading Record and begin to record what you are reading/are being read this summer.

Enjoy fun stories, engaging activities, and cool crafts at your weekly sessions. We will also have activities you can engage in upstairs at your own pace & a special guest in July.

Step four: Hand in your completed reading record for a 2019 Summer Reading Club medal!
